Re: Request for Updated Maps and Plans, H.E. Davis Construction, Henry 1 & 2, M/023/023, Juab County, Utah

Dear Mr. Christofferson:

The Henry 1&2 permit is in the process of being transferred from H.E. Davis and Sons to H E Davis Construction. Before this transfer can occur and be completed, we need to have a map showing the current disturbance found on site. We also need to verify that the site is adequately bonded. Please provide an updated map within 30 days. If the current plan is not accurate, please provide the Division with a plan amendment within 45 days.

If you have any questions or concerns regarding this letter, please call me at 801-538-5321.

Sincerely,

Tom Munson
Senior Reclamation Hydrologist
